

Located at the very end of eastern edge of Asia, the Vietnam is home of several islands of approximately 7,000. These places are mainly occupied by friendly locals and many indigenous tribes. Basically, the places which can be visited in this country are very many starting from pristine beaches, marvelous natural resources, and historical sites. All these features make Vietnam to be a very fantastic and interesting place to visit with your application for [visa on arrival Vietnam](#) . Here are some of the best city tours that you should consider to book online while visiting the country.

Da Nang

Da Nang is the city that any one should visit while in Vietnam. It favors people in the shorter or limited vacation in the country. It found in the last frontier and as a result, it is abundantly blessed by all attractive imaginable attractions at a tourist could possible dream for. Da Nang being the capital city of Quang Nam Vietnam, it contains white sand beaches which are scattered all over the city. There also exists *karts limestone* formation which is formed as a result of *emerald-turquoise water*. It is usually formed in a unique manner, which it can't be spoiled by commercial fishing and irreverence of the sea.

Hoi An

It is the smallest province in the country. The town has gone against all odds to escape the Vietnamese's imagination of wanderlust. They did this by accusing the *Batanes* people of not knowing the existence of *Eden* in the town. Today, the city is in the limelight of the national attention as a result of great adventures that discovered the presence of tales of ruptures and rugged landscape. Some of the features that are also available in the city include idyllic rolling pasture, compatible architecture and the distinct culture. The Hoian people are famed and popular as a result of their honesty culture.

Hue City

This is very peaceful town free from crime, discipline and the cleanest city in the town. Generally, Hue City has three main categories for adventure. They include slots for travelers, wildlife, and colorful life. This is the home to the Vietnam who stays at the highest peak of the country. This is because it is almost 3,000 meters above the sea level. Therefore, the rare Vietnam *Eagle* is majorly found here at *Mt. Apo*. It provides wildlife pleasure to tourist who loves wildlife animals. There are a lot of safety and shopping in this place is a lot much fun.

Sapa – Lao Cai

Over the past years, this has been the favorite place for the tourists. For a traveler who is keen enough can spot the coffins of the deceased hanged on the mountain side. This unique burial is what usually attracts people to that city.

Ho Chi Minh

Generally, this city is usually strict especially to the foreign visitors. This is because they are usually required to produce [Vietnam visa documents](#) to ensure that they are legal in the country. Apart from the south is majorly known for its Saigon. The reason for being called that name is that the green grass always withers in the season of winter. It is also requisite with white sand beach which makes it to be hottest tourist attraction.
